Paul, when you have some free time, I invite you to come down to see our new offices... maybe we can have lunch, too.

Paul,

I have noticed a lot of taxis parking in your lot. Do you have No Trespassing signage posted?

Laurie,

Omar and I received an email from DOT Lt. Price regarding the Taxi violations on private property. She said that signs (See attached) need to be placed on the property. DOT will cite the vehicles, but it's up to the property owners to have the vehicles towed which essentially means that the property manager calls the tow company.

She said that the local Official Police Garage (OPG) will assist you in obtaining the signs. In our area it's:

Bruffy's Tow

11101 Hindry Ave, Los Angeles, CA 90045

(310) 395-0084 <tel:(310)%20395-0084>

Please pass this info to the businesses in the area. I've also cc'd SLO Young who will assist in patrol matters. He's also given me some good insight of activities in the area. LAXPD Motors will continue to monitor the area and send taxis to the assigned parking area on Westchester Parkway.

Have a great weekend,

Lt. Boisselle
